filminstallation, in collaboration with Chen Yongwei

11 august 2008 — Centre d`Art Neuchâtel, Neuchâtel, CH — Summerlab 2008, Glocal Bang -
curated by Maximilian Baldassario - Duration 18 min.

Background — X and Y are invited to participate in the CAN events Summerlab. They invite the Chinese artist Chen Yongwei for a collaboration work.

Materials and Preparation — Small bulbs with batteries connected, attached to the heads, shoulders, hips and hands. Camera and darkened room.

Procedure — X and Chen Yongwei give each other lessons in Swiss German and Chinese. The camera records only the points of light (bulbs) attached to the bodies and the sound. The recordings are cut and the film will be showed only in daylight.
